MEMORANDUM OF UNDERSTANDING
between
CITY OF ALAMEDA
AND
ALAMEDA POLICE MANAGERS ASSOCIATION

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the City Council of the City of Alameda as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing January 6, 2008 and ending February 27, 2010.

Section 1. Recognition

1.1 Association Recognition

Alameda Police Managers Association hereinafter referred to as the "Association," is the recognized employee organization for the classifications listed in Appendix A.

1.2 City Recognition

The Municipal Employee Relations Officer of the City of Alameda or any person or organization duly authorized by the Municipal Employee Relations Officer, is the representative of the City of Alameda, hereinafter referred to as the "City" in the employer-employee relations, as provided in Resolution No. 7476 adopted by the City Council on May 21, 1969.

Section 2. Association Security

Dues Deduction

Payroll deductions for membership dues shall be granted by the City only to the Association.

The following procedures shall be observed in the withholding of employee earnings:

- (1) Payroll deductions shall be for a specific amount and uniform as between employee members of the Association and shall not include fines, fees and/or assessments. Dues deduction shall be made only upon the employee's written authorization on a payroll deduction form provided by the City.

- (2) Authorization, cancellation or modification of payroll deduction shall be made upon forms provided or approved by the City Manager. The voluntary payroll deduction authorization shall remain in effect until employment with the City is terminated or until canceled or modified by the employee by written notice to the City Manager. Employees may authorize dues deductions only for the Association certified as the recognized representative of the unit to which such employees are assigned.
- (3) Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds at the address specified.
- (4) The employee's earnings must be sufficient after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the Association dues deduction.
- (5) The Association shall file with the City Manager an indemnity statement wherein the Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check-off of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

Section 3. Association Representatives

City employees who are official representatives of the Association shall be given reasonable time off with pay to attend meetings with management representatives, or to be present at hearings where matters within the scope of representation or grievances are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives shall submit a written request for excused absence to their respective department heads with an information copy to the City Manager, at least two (2) working days prior to the scheduled meeting whenever possible. Except by mutual agreement, the number of employees excused for such purposes shall not exceed three (3).

Section 4. Access to Work Locations

Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. Such officers or representatives shall

not enter any work location without the consent of the City Manager. Access shall be restricted so as not to interfere with the normal operations of the department or with established safety or security requirements. Solicitation of membership and activities concerned with the internal management of the Association, such as collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature, shall not be conducted during the working hours.

Section 5. Use of City Facilities

City employees or the Association or their representatives may, with the prior approval of the City Manager or designated representative, be granted the use of City facilities during non-work hours for meetings of City employees provided space is available. All such requests shall be in writing and shall state the purposes of the meeting.

The use of City equipment other than items normally used in the conduct of business meetings, such as desks, chairs, ashtrays and blackboards is strictly prohibited, the presence of such equipment in approved City facilities notwithstanding.

Section 6. Bulletin Boards

The Association may use portions of City bulletin boards under the following conditions:

- (1) All materials must be dated and must identify the Association that published them.
- (2) Unless special arrangements are made, materials posted will be removed thirty-one (31) days after the publications date.
- (3) The City agrees to provide bulletin boards in reasonable locations and designate a reasonable portion thereof for Association use.
- (4) If the Association does not abide by these rules, it will forfeit its right to have materials posted on City bulletin boards.

Section 7. Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given the Association of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council and shall be given the opportunity to meet with the City Manager prior to adoption. In cases of emergency when the City Council determines that an ordinance, rule, resolution or regulations, must be adopted immediately without prior notice or meeting with the Association, the City shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such ordinance, rule, resolution or regulation.

The City agrees to post City job announcements on all bulletin boards at the earliest practical time.

Section 8. City Rights

The rights of the City include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and to exercise complete control and discretion over its organization and the technology of performing its work.

Section 9. No Discrimination

There shall be no discrimination based on race, creed, color, national origin, sex, ancestry, marital status, pregnancy, sexual orientation, or legitimate union activities against any employee or applicant for employment by the Association or by the City or by anyone employed by the City; and to the extent prohibited by applicable state and federal law, there shall be no discrimination because of age. There shall be no discrimination against any disabled person solely because of such disability unless that disability prevents the person from meeting the minimum standards established.

Section 10. Hours of Work

The City agrees to maintain the existing alternative work week with the Alameda Police Managers Association as long as the same understanding is continued between the Chief of Police and the Alameda Police Officers Association.

Reduced Work Week

The parties acknowledge that for the duration of this MOU the work week in effect on November 30, 1993, will be continued.

Section 11. Management Incentive Pay, Acting Pay, Retention Pay

11.1 Management Incentive Pay

All Alameda Police Managers Association members are granted Management Incentive Pay equivalent to ten (10) days standard work week days per fiscal year which is earned equally throughout the year over 26 pay periods. APMA members will receive monetary compensation for Management Incentive Pay in 26 installments per year. The compensation shall be calculated using the member's hourly pay rate, as listed in the applicable City of Alameda Police Department Salary List, multiplied by 80 (hours) and divided by 26 (paydays). If a salary adjustment occurs during a fiscal year the Management Incentive Pay benefit shall be re-calculated as of the effective date of the adjustment using the above formula. Management Incentive Pay shall be administered as per 2 C.C.R. Sec 571 (a) (1).

11.2 Acting Pay/Y-Rate

An employee who is assigned by the employee's supervisor and approved by the Department Head to perform a job in another classification during the temporary or permanent absence of an employee may be paid a rate not less than five percent (5%) nor above the 5th step of the higher classification. The City Manager may approve a "Y" rate outside an existing classification if additional duties warrant.

11.3 Retention Pay

Upon the satisfactory completion of ten (10) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by three percent (3.0%). Upon the satisfactory completion of fifteen (15) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by an additional four percent (4.0%). Upon the satisfactory completion of twenty (20) years of continuous service with the Alameda Police Department, the employee's regular base monthly salary shall be increased by an additional five percent (5.0%).

Section 12. Salaries

12.1 Rates of Pay

The salary differential that existed between the classifications on July 1, 1991 in the bargaining unit and the classifications supervised will be maintained during the term of this Memorandum of Understanding.

12.2 Starting Rate

Except as herein otherwise provided, the entrance salary for a new employee entering City service shall be the minimum salary for the class to which appointed but at least 5% above the prior rate of pay. When circumstances warrant, the City Manager may approve an entrance salary which is more than the minimum salary. The City Manager's decision shall be final.

12.3 Step Increases

The step plan of each salary range shall be applied and interpreted as follows for permanent and probationary employees:

The first step shall be the minimum rate and shall normally be the hiring rate for the class. In a case where it is difficult to secure a qualified person or if a person of unusual qualifications is engaged, the City Manager, after receiving the recommendation of the appropriate Department Head, and the advice of the Human Resources Director, may approve appointment above the first step.

The second step shall be paid upon satisfactory completion of one (1) year of paid status at the first step.

The third step shall be paid upon satisfactory completion of one (1) year of paid status at the second step.

The fourth step shall be paid upon satisfactory completion of one (1) year of paid status at the third step.

The fifth step shall be paid upon satisfactory completion of one (1) year of paid status at the fourth step.

Raises to the second, third, fourth and fifth steps shall be automatic unless an unsatisfactory service rating report is made by the appointing authority. Following an unsatisfactory service rating report, a raise may be delayed by the Department Head for not more than six (6) months with the approval of the City Manager. A raise to any step may be made at any time by the City Manager on the recommendation of a Department Head whenever an employee exhibits unusual merit.

12.4 Conversion Rate

Any yearly, monthly, per diem, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time basis when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time bases, the Finance Director, subject to the approval of the City Manager, shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates.

Section 13. Health and Welfare

13.1 Medical

The City has contracted with the Public Employees' Retirement System (PERS) for the purpose of providing medical insurance benefits for employees covered by this Memorandum of Understanding, eligible retired employees and eligible survivors of retired employees. Eligibility of retired employees and survivors of retired employees to participate in this program shall be in accordance with regulations promulgated by PERS and subject to the provisions of Section 4 (a) and (b) of the Agreement of May 31, 1991 between the City and the "members of the 1082 Pension System", transferring the 1082 pension system to PERS.

13.2 Flexible Benefit Plan

The City has established a Flexible Benefits Account for each full-time regular employee who is eligible to enroll in one of the PERS medical insurance plans offered by the City. The Flexible Benefits amounts contributed by the City are considered to meet the minimum employer contribution (MEC) requirements of PERS.

The City's initial contribution was One Dollar (\$1.00) on behalf of each eligible retired employee or eligible survivor of a retired employee and adjustments are made to this number in accordance with PERS requirements.

The City shall make the following contributions per month per eligible employee toward the Flexible Benefits Plan for Medical Insurance (includes the City MEC contribution if enrolled in PERS medical insurance). The rates to be effective in January 2010 reflect the full cost of the premiums of the Kaiser medical plan based

upon the employee's coverage level (employee only, employee + 1, or employee + 2 or more dependents). If an employee elects no medical coverage through the City and can document they have alternative medical coverage, they will be eligible for cash back.

<u>Coverage Level</u>	<u>2009 City Contribution</u>	<u>2010 City Contribution</u>	<u>Available Cash Back Amt.*</u>
No coverage (0 party)	\$ 0	\$ 0	\$ 230
Employee only	\$ 508.30	\$ 532.56	\$ 0
Employee + 1	\$1,016.60	\$ 1,065.12	\$ 0
Employee + dependents	\$1,321.58	\$ 1,384.66	\$ 0

If an employee chooses to be covered by a higher cost medical plan, they will be responsible for paying the difference in the cost for that medical plan. In the event Kaiser is not offered by PERS, the parties will meet and confer regarding a substitute provider rate.

Beginning in January 2011 and thereafter, the City shall not increase the amount of money allocated for health insurance benefits unless agreed upon in a successor MOU.

For the purpose of this section, a dependent is defined as a person who satisfies the definition of dependent in the PERS medical insurance plan in which the employee is enrolled. Such dependents must also be enrolled in and covered by the plan.

In the event the above listed amounts are insufficient to pay 100% of the premiums required of employees enrolled in any one of the PERS medical insurance plans offered, the City shall make a payroll deduction from the employee's pay to cover the difference in cost.

Each employee shall notify the Human Resources Department in writing on a form provided, on or before the last day of the PERS open enrollment month each year as to how the monies in his/her Flexible Benefit Account are to be expended during the twelve (12) month period beginning the first day of each PERS benefit year. Thereafter, no change to designations so made will be allowed until the following year unless a qualified reason occurs.

Each employee shall be responsible for providing immediate written notification to the Human Resources Department of any change to the number of his/her dependents, which affects the amount of the City payment to the Flexible Benefits Account. An employee, who by reason of failing to report a change in dependents, receives a City payment greater than the amount to which he/she is entitled shall be liable for refunding the excess amounts received via a reduction in the amount paid to his/her Flexible Benefits Account. Changes to flexible benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Department. No retroactive increases to the City's payments shall be allowed.

13.3 Dental Insurance

The City shall provide dental insurance coverage for full-time employees and their eligible dependents as in effect on the date the Memorandum of Understanding is ratified by the parties. This coverage will be mandatory for all employees. Any increase in premium shall cause a like increase in the flexible benefit account.

13.4 Life Insurance

The City shall provide each employee with a One Hundred Thousand Dollars (\$100,000.00) life insurance program. This coverage will be mandatory for all employees.

The City shall provide each employee with the opportunity to purchase, at their own cost, additional optional life insurance up to the maximum amount provided by and subject to the conditions of the carrier.

13.5 IRC Section 125

At such time as the City institutes the Flexible Benefits Plan, the City agrees to implement an IRC Section 125 plan to redirect the employees' pre-selected amount of salary to pay employee paid insurance premiums and other approved expenses with "pre-tax" instead of "after tax" dollars.

13.6 Employee Assistance Program

The City shall continue to provide for all employees an employee assistance program. The cost of such program shall continue to be paid by the City only during the term of this Memorandum of Understanding.

Section 14. Retirement Plan

The Agreement Transferring the 1082 Pension System Members to PERS ("The 1082 Agreement"), executed by representatives of the APMA is hereby confirmed, except as provided below.

(A) Effective July 1, 1994 the City ceased to "pick up" the employee's normal contribution of 9% to PERS previously made by the City under Cal. Govt. Code Sec. 20615 and as required by the 1082 Agreement and the first and second paragraph of the 1993-94 MOU. The parties hereby agree that the City's obligations to make any such payments to PERS on the employee's behalf, under the MOU and the 1082 Agreement, on or after July 1, 1994 is hereby waived by the Association, and the parties agree and confirm that the City's obligations therein ceased as of that date.

(B) Effective July 1, 1994 the individual employees did, and shall continue to, make their own normal employee contributions to PERS, in the amount of 9%, and they shall have the option, if legally possible, to have those payments tax deferred under IRS Policy and Rule 414(h)(2).

Therefore, to implement and execute these understandings and agreements, the parties hereby mutually agree to delete Section 3 of the 1082 Agreement and Section 14 of the 1993-94 Memorandum of Understanding between the parties."

(C) MOU Section 14 Retirement Plan will have the following paragraphs deleted from 1993-94 agreement:

Unnumbered Paragraph 1, the middle of Page 6

Unnumbered Paragraph 2, the middle of Page 6

(D) For employees hired after July 1, 1995, the provisions of Sections 4(a) and (b) of the 1082 Agreement shall only be applicable if all of the following conditions are satisfied: (1) The employee has 20 years or more service with the Alameda Police Department and (2) retire (for service or disability), and (3) actually draw a PERS pension within one hundred twenty (120) days of separation from the Alameda Police Department.

Except as modified above, the parties agree to be bound by the Agreement Transferring 1082 Pension System Members to PERS, entered into May 31, 1990. On January 1, 2001 or as soon as possible thereafter, subject to CalPERS rules and conditions, the CalPERS 3% @ 50 retirement formula will be implemented.

Section 15. Uniform Allowance

This Section 15 shall be governed by Department General Order 87-1 and employees will receive their uniform allowance in quarterly installments. The Safety Officers will receive \$1,104 per year.

Section 16. Holidays

All employees covered by this Memorandum of Understanding shall be paid additional compensation for City recognized holidays, with no option for time off, at the rate of .075020 of their regular salaries, paid on a biweekly basis. Holiday Pay will be administered as per 2 C.C.R. Sec 571 (a) (5).

Section 17. Vacation

17.1 Vacation Scheduling

The times during the calendar year at which an employee shall take vacation shall be determined by the City Manager or the designated representative with due regard to the wishes of the employee and particular regard to the need of the City. All employees shall, on a form provided by the City, indicate their preference for vacation periods. Preference of vacation date shall be given to employees according to their length of service in as reasonable a manner as possible. The City will post a final vacation schedule by January 1 of each year.

17.2 Vacation Benefits

Vacation benefits will be granted on a calendar year basis. Employees shall earn vacations on an anniversary year basis and shall be entitled on their next anniversary year to a vacation as follows:

Ten (10) working days' of vacation with pay if he or she shall have been in the service of the City for a period of (1) year or more but less than five (5) years prior to such anniversary date.

Fifteen (15) working days' vacation with pay if he or she shall have been in the service of the City for a period of five (5) years or more but less than six (6) years prior to such anniversary date.

Sixteen (16) working days' vacation with pay if he or she shall have been in the service of the City for a period of six (6) years or more but less than eight (8) years prior to such anniversary date.

Seventeen (17) working days' vacation with pay if he or she shall have been in the service of the City for a period of eight (8) years or more but less than ten (10) years prior to such anniversary date.

Eighteen (18) working days' vacation with pay if he or she shall have been in the service of the City for a period of ten (10) years or more but less than twelve (12) years prior to such anniversary date.

Nineteen (19) working days' of vacation with pay if he or she shall have been in the service of the City for a period of twelve (12) years or more but less than fourteen (14) years prior to such anniversary date.

Twenty (20) working days' vacation with pay if he or she shall have been in the service of the City for a period of fourteen (14) years or more but less than fifteen (15) years prior to such anniversary date.

Twenty-one (21) working days' vacation with pay if he or she shall have been in the service of the City for a period of fifteen (15) years or more but less than sixteen (16) years prior to such anniversary date.

Twenty-two (22) working days' vacation with pay if he or she shall have been in the service of the City for a period of sixteen (16) years or more but less than seventeen (17) years prior to such anniversary date.

Twenty-four (24) working days' vacation with pay if he or she shall have been in the service of the City for a period of seventeen (17) years or more but less than eighteen (18) years prior to such anniversary date.

Twenty six (26) working days vacation with pay if he or she shall have been in the service of the City for a period of eighteen (18) years or more but less than twenty (20) years prior to such anniversary date.

Twenty eight (28) working days vacation with pay if he or she shall have been in the service of the City for a period of twenty (20) years or more but less than twenty three (23) years prior to such anniversary date.

Thirty (30) working days vacation with pay if he or she shall have been in the service of the City for a period of twenty three (23) years or more prior to such anniversary date.

17.3 Vacation Accumulation

Effective January 1, 2010 the City will convert its vacation accumulation system to a per pay period based accrual system. Upon ratification and adoption of this agreement, the City will retroactively credit all current employees with the value of the vacation they would have been receiving on a per pay period basis from January 1, 2010 to present. The prior annual accrual system will be discontinued and in subsequent years vacation accrual will be on a pay period basis only.

Employees may accumulate no more than eighty (80) hours of vacation in addition to the employee's regular, annual vacation accrual entitlement, at any one time. In the event the employee reaches his/her applicable maximum accumulation level, the employee will temporarily stop accruing vacation until he/she uses vacation time and their accumulation level is again below the maximum level. An employee may submit in writing a request to accumulate vacation in excess of the maximum set forth above. Such excess accumulation may be approved, at the sole discretion of the City Manager, on a case-by-case basis. Except as so limited, earned vacation not used may be accrued and carried over from year to year without limitation.

During calendar years 2010 and 2011 employees will be allowed to accumulate two (2) times their annual entitlement, plus eighty (80) hours. This provision for additional accumulation will end on the last pay period ending in 2011, and this paragraph will become inapplicable. Thereafter, the maximum will return to eighty (80) hours in addition to the employee's regular, annual vacation accrual entitlement, as provided for in the paragraph above.

17.4 Vacation Paycheck

The City agrees to deposit an employee's paycheck in his or her bank account if authorized by such employee, and if such employee is out of town on vacation on payday. The deposit of an employee's paycheck while an employee is on vacation shall be in accordance with procedures developed by the City Finance Director.

17.5 Excess Accumulation

The City and the APMA agree to research and implement a plan that will allow employees who have accrued vacation balances in excess of the maximum established above as of 1/1/10, to transfer the value of such excess vacation into a supplemental vacation account and subsequently into a tax-deferred savings plan. The parties' objective is to have such a tax-deferred plan in place by March 31, 2010. The cost of establishing and maintaining such a plan shall be borne by plan participants.

All employees will have the amount of their existing, unused vacation balance (as of 12/31/2009) transferred into their supplemental vacation account, as well as their 2010 vacation accrual deposit. Subsequently, vacation earned on a pay period basis will be credited toward the employees regular, active vacation balance. Employees will be allowed to transfer vacation time from their supplemental vacation account into their regular, active vacation balance, if necessary, in order to schedule vacation time off.

Section 18. Sick Leave

18.1 Benefits

Regular and probationary employees shall accrue sick leave at the rate of eight (8) hours per month, provided they have been in a pay status on one hundred sixty (160) straight-time hours that month. Except as so limited, earned sick leave not used may be accrued and carried over from year-to-year without limitation. Sick leave usage shall not be considered as a privilege which an employee may use at his or her discretion, but shall be allowed only in case of necessity of actual sickness or disability. Charge of sick leave used shall be on the basis of one (1) used; provided, however, that sick leave shall be charged for only those hours when the employee was absent from work. In no event shall sick leave be converted into a cash bonus. Sick leave may not be used before it is earned.

18.2 Notification Requirement

In order to receive compensation when absent on sick leave, the employee shall notify his or her immediate supervisor one-half (1/2) hour prior to the scheduled time for beginning his or her work duties of his or her impending absence.

18.3 Doctor's Certificate or Other Proof

A personal affidavit may be required for any period of absence for which sick leave is claimed; however, when absence is for three (3) consecutive days, at the discretion of the employee's supervisor the employee may be required to file a physician's certificate with the Department Head stating the cause of the absence and certifying that such employee is not able to perform the duties of the employee's employment; and provided, further that, when absence is for more than five (5) consecutive workdays, the employee shall file a physician's certificate with the Department Head stating the cause of the absence and certifying that such employee is not able to perform the duties of the employee's employment.

18.4 Illness in the Immediate Family

In compliance with State law, an employee may, during a calendar year, use sick leave up to the amount earned in six (6) months to attend to the illness of a child, parent, spouse or domestic partner. At the City's request, the employee will provide satisfactory evidence of the facts justifying such absence.

18.5 Sick Leave During Probationary Period

No sick leave shall be granted during the first six (6) months of employment with the City. However, when a permanent appointment is received, sick leave accumulation with pay shall be allowed for time worked in the probationary status, provided the one hundred sixty (160) straight-time hours per month work requirement has been met.

Section 19. Leaves of Absence

19.1 Leave Without Pay

The City Manager may grant regular employees a leave of absence without pay. No leave shall be granted except upon written request of the employee. Such requests shall be submitted to the City Manager. Such leaves shall normally be granted to

permit the employee to engage in activities that will increase his or her value to the City upon return, or because of sickness, injury or personal hardship. Employee may not be granted a leave of absence until all accrued vacation is taken. Failure on the part of an employee on leave to report promptly at its expiration shall result in dismissal of the employee. Vacation and sick leave credits shall not accrue to an employee on leave of absence. The decision of the City Manager on granting or refusing to grant a leave of absence or extension thereof shall be final and conclusive and shall not be subject to the grievance procedure of this Memorandum of Understanding.

19.2 Jury Duty

An employee summoned to jury duty shall inform his or her supervisor and, if required to serve, may be absent from duty with full pay only for those hours required to serve.

19.3 Military Leave of Absence

The provisions of the Military and Veterans Code of the State of California shall govern military leave of City employees.

19.4 Maternity Leave/Family Leave

Maternity Leave shall be subject to applicable federal and state laws.

Family Leave

Family Leave shall be subject to applicable federal and state laws.

19.5 Industrial Disability Leave

Employees who suffer any disability arising out of and in the course of their employment, as defined by the Workers' Compensation Laws of the State of California, shall be entitled to disability leave while so disabled for the period of such disability to a maximum of one (1) year or retirement, whichever occurs first. Compensation benefits shall be determined and paid in accordance with the Workers' Compensation Laws of the State of California. Integration of sick leave with Workers' Compensation is to be automatic; the City may not waive integration, and any employee entitled to Workers' Compensation must apply, therefore, before sick leave benefits are payable.

19.6 Funeral Leave

In the event of a death in the immediate family of an employee who has one (1) or more years of uninterrupted service with the City, the employee shall, upon request, be granted such time off with pay as is necessary to make arrangements for the funeral and attend same, not to exceed three (3) regularly scheduled working day. [Five (5) days for the purposes of spouse, parent or child.] This provision does not apply if the death occurs during the employee's paid vacation or while the employee is on leave of absence, layoff, or sick leave.

For the purpose of this provision, the immediate family shall be restricted to father, mother, brother, sister, spouse, child, domestic partner, mother-in-law, father-in-law, grandparents and grandchildren. At the request of the City, the employee will furnish a death certificate and proof of relationship.

Funeral leave applies only in instances in which the employee attends the funeral, or is required to make funeral arrangements, but is not applicable for other purposes such as settling the estate of the deceased.

Section 20. Probationary Period

All original and promotional appointments shall be subject to a probationary period. The probationary period shall be regarded as a part of the testing process and shall be utilized for closely observing the employee's work for securing the most effective adjustment of a new employee to his or her position and for rejecting any probationary employee whose performance does not meet the required standards of work.

The probationary period is twelve (12) months. Six months if a promotional appointment.

Any employee rejected during the probationary period following a promotional appointment shall be reinstated to the position from which he or she was promoted, unless he or she is discharged.

Section 21. Layoff and Reemployment -- Furloughs

In reduction of forces, the last employee hired shall be the first employee laid off, and in rehiring, the last employee laid off shall be the first employee rehired until the list of former employees is exhausted; provided that the employee retained or rehired is capable, in the opinion of the City, to perform the work required. An employee laid off from City service prior to being rehired must pass the physical examination administered by a City-appointed physician and must pass the background check administered by the Police Department. The names of employees laid off shall be placed on a Reemployment Eligible List as hereinafter specified.

Layoffs shall be made in the inverse order of Department seniority. When a promotional reduction is made in the Police Department, demotions shall be made in the inverse order of seniority in classification. An employee being demoted shall be placed in the classification he or she last held prior to the classification from which he or she is being demoted. Time spent in the higher classification shall be treated as seniority time in the lower classification to which the employee is demoted for purposes of calculating seniority in that lower classification.

The Reemployment Eligible List shall consist of the names of employees and former employees having probationary or permanent status who were laid off in that classification. The rank order on such list shall be determined by relative seniority as specified above. Such list shall take precedence over all other eligible lists in making appointments to the classification in which the employee worked.

The name of any person laid off shall continue on the appropriate Reemployment Eligible List for a period of three (3) years after it is placed thereon. The names of

any eligible employees on a Reemployment Eligible List shall be automatically removed from said list at the expiration of the appropriate period of eligibility.

Service with the City shall be terminated by discharge, resignation, or twelve (12) consecutive months of unemployment with the City.

An employee who is laid off shall not accrue or be eligible for any benefits, including but not limited to vacation, sick leave, holidays, medical, dental, life insurance, retirement contributions and uniforms. Any employee reemployed after a layoff shall retain all vacation and sick leave accruals that the employee did not receive compensation for at the time of layoff.

Section 22. Discharge or Discipline

22.1 Right of Discharge or Discipline

The City shall have the right to discharge or discipline any employee for dishonesty, insubordination, drunkenness, incompetence, willful negligence, failure to perform work as required or to observe the Department's safety and house rules and regulations which must be conspicuously posted and not in derogation of the Memorandum of Understanding, or for engaging in strikes, individual or group slowdowns or work stoppages, or refusal to accept overtime, or for violating or ordering the violation of the Memorandum of Understanding.

22.2 Appeals

If an employee feels he or she has been unjustly discharged, he or she shall have the right to appeal his or her case through the appropriate procedure (Section 24.5). Such appeal must be filed with the City Manager or the Civil Service Board by the employee in writing within five (5) working days from the date of discharge and unless so filed the right of appeal is lost.

Any discharged employee shall be furnished the reason for his or her discharge in writing.

Section 23. Personnel Files

An employee or his or her representative, on presentation of written authorization from the employee, shall have access to the employee's personnel file on request. The City shall furnish the employee copies of all performance evaluation reports and letters of reprimand or warning prior to placement of such documents into the employee's personnel file. The employee may be required to acknowledge the receipt of any document entered into his or her personnel file without prejudice to subsequent arguments concerning the contents of such documents.

Section 24. Grievance Procedure

A grievance shall be defined as any dispute arising during the term of the Memorandum of Understanding which involves the interpretation or application of any provision of this Memorandum of Understanding during its terms, excluding all ordinances, resolutions, rules and regulations, the subject of which is not specifically

covered by the provisions of this Memorandum. Such excluded ordinances, resolutions, rules and regulations shall not be subject to the Grievance Procedure.

24.1 Initial Discussions

Any employee who believes that he or she has a grievance may discuss his or her complaint with the top management official in the Police Department or with such subordinate management official as the Chief of Police may designate. If the issue is not resolved within five (5) working days in the Department, or if the employee elects to submit his or her grievance directly to an official of the employee organization which is formally recognized as the representative of the classification to which he or she is assigned, the procedures hereafter specified may be invoked.

24.2 Referral to City Manager

Any employee or any official of the employee organization which has been formally recognized by the City and which has jurisdiction over any position directly affected by the grievance may notify the City Manager and Chief of Police in writing that a grievance exists, and in such notification, state the particulars of the grievance and, if possible, the nature of the determination which is desired. No grievance may be processed under subsection 24.3 below which has not first been heard and investigated in pursuance of subsection 24.1. A grievance which remains unresolved thirty (30) calendar days after it has been submitted in writing may be referred to the Adjustment board.

Any time limit may be extended to a definite date by mutual agreement of the Association and the appropriate management representative.

24.3 Adjustment Board

In the event the Association and the City are unable to reach a mutually satisfactory accord on any grievance (as the term "grievance" is hereinabove defined) which arises and is presented during the term of the Memorandum of Understanding, such grievance shall be submitted to an Adjustment board comprised of three (3) employee representatives, and three (3) representatives of the City. The Association shall be an indispensable party to any grievance which is submitted to the Adjustment Board. Any party desiring an official transcript of the Adjustment Board hearing shall bear the cost of same.

If an Adjustment Board is unable to arrive at a majority decision, either the grievant, the Association or the City may request that the grievance be referred to the City Manager, or arbitration.

No Adjustment Board of Arbitrator shall entertain, hear, decided or make recommendations on any dispute involving a position over which a recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as hereinabove set forth in the first paragraph of this section.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be grievable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred

for grievance under this Section; and no Adjustment Board or Arbitration shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in the Memorandum of Understanding or interpretations thereof will be recognized unless agreed to by the City Manager and the Association.

24.4 City Manager and Arbitration

If the grievance is not resolved at the previous step, the grievant, the Association, or the City may, after completion of the previous step in the grievance procedure, submit the grievance directly to the City Manager or may request arbitration. If arbitration is requested, representatives of the City and the Association shall meet promptly to select a mutually acceptable arbitrator. A hearing before the arbitrator shall be held as soon as practical, and the arbitrator shall render a decision which shall be advisory to the City Manager. If the City Manager declines to follow the arbitrator's decision, he or she shall state his or her reasons for doing so in writing. The cost of arbitration shall be borne equally by the City and the Association.

24.5 Matters excluded from the Grievance Procedure of the Memorandum of Understanding

Employee disciplinary matters, and in those cases where the matter concerns any rule or policy or administrative procedure of the City contained in the City Charter, the Civil Service Ordinance, or the Civil Service Rules and Regulations which are adopted pursuant to the City Charter, which provisions pertain to discharge, discipline, and examination and promotion procedures, the appeal procedures contained therein shall be utilized.

24.6 Disciplinary Action

No grievance involving the discharge or suspension of an employee will be entertained unless it is filed in writing by the employee with the City Manager or Civil Service Board within five (5) working days from the date of the notification of the action.

24.7 Pay Claims

All complaints involving or concerning payment of compensation shall be filed in writing and no adjustments shall be retroactive for more than thirty (30) days from the date of filing.
